I understand and by signing agree that:

- ✓ My landlord has given his/her approval for the proposed work, which is in accordance with the terms of my lease.
- ✓ The Maplewood Village Alliance Design Committee must review and approve any changes made to the project after initial approval is given.
- ✓ If project costs exceed the approved estimate, the Facade Renovation Grant Program is not obligated to increase the amount of its original commitment.
- ✓ All work related to the renovation project must be completed in full before the Maplewood Village Alliance will release grant funds.
- ✓ I will display a Maplewood Village Alliance Facade Renovation Grant Program sign in my storefront window during the renovation process and for 30 days thereafter.
- ✓ I am responsible for obtaining the proper permits or variances for my project.
- ✓ I will assume any and all liability in the event that the renovation work is unsatisfactory with the property owner and for any and all claims made by others for damage to property or for personal injury.

All of the information I have provided in this application and all of the attachments submitted as part of the application are true and correct to the best of my knowledge.
